

eBay Australia's new decision

Last Updated Friday, 18 April 2008

eBay Australia has just announced that from next month all eBay sellers has to have the PayPal must option as there payment option. As from Mid July 2008 They only can offer Paypal as there payment option. Paypal an eBay sister company charges seller from 1.1 to 2.4% depending on what type of transaction it is. This diction has made lot of Australia sellers angry and left them with bitter experience. eBay will see some significant change over few month and we will see some exciting new eBay biggest rival in Australia oztion.com.au.
